

**PETITION TO ANNEX ADJACENT LAND INTO THE
EAST HELENA VALLEY FIRE DISTRICT
LEWIS AND CLARK COUNTY**

We the undersigned, owners of land located within the area described and shown on Exhibit "A", attached hereto and made a part hereof, hereby petition the Board of County Commissioners to annex certain adjacent lands to become part of the East Helena Valley Fire District, as authorized by Section 7-33-2126, MCA. The boundaries of the proposed annexation area are those shown on Exhibit "A". It is anticipated that fire protection services would be provided by the existing East Helena Valley Fire District and funded by assessments made within the fire district. All property within the annexation area would be assessed for fire protection services. The annual assessment for such services would be based upon the tax levy established each year; the present levy for the 2010 tax year is 19.69 mills, resulting in an assessment of approximately \$1.96 for every \$100 of taxable value, as shown on the valuation sheet for each geocode number. Exhibit "B", attached hereto and made a part hereof, is a list of properties within the annexation area and shows the estimated annual assessment for each property. The Board of Trustees of the East Helena Valley Fire District would govern and manage the affairs of the annexed areas as part of the entire fire district.

We the undersigned, also acknowledge that if the property is annexed into the East Helena Valley Fire District, it will be removed from the East Helena Valley Fire District and will not be assessed the Lewis and Clark Fire Service Area Fee.

This petition officially begins petition on January 10, 2011.
